Narrative Description of Project: Assignment to assess the compliance of selected localities in Northern Sudan with Minimum Qualifying Criteria (MQC) and performance and capacity indicators. The compliance of the localities with these criteria determines whether they will have access to financial and capacity building support to community led development. Such support will be provided through the Community Development Fund (CDF) project financed by the Multi-Donor Trust Fund (MDTF), especially targeted at northern Sudan. Over time this project aims to build the capacity of localities (local governments) to plan, allocate resources and implement and manage investments.		
Description of Actual Services Provided by Your Staff: 2 sub Team leaders conducting an capacity assessment of selected localities in northern Sudan. The assessment included providing recommendations in building capacity of the Localities.
